ADMINISTRATIVE ITEMS

2. CITY HALL TEMPORARY ART INSTALLATION – ORAL REPORT

Human Services Manager Melissa Vollaro provided some background on the City Hall temporary art installation project. Last spring the Committee sent out a Request for Qualifications (RFQ), followed up with artists for proposals, but did not go with any of the proposals. The Committee updated the Request for Proposals (RFP) with an increased budget, requesting proposals upfront, and re-released it to the public in September with an October 2, 2017 deadline. Of the six proposals received, the ad hoc committee reviewed the proposals last week and selected one of the artists for the project.

Chair Neiuber provided a handout of the selected proposal by artist Siji Chen. She described it as a minimal abstract sculpture of a tree trunk to emphasize Claremont's trees; the panels are unpainted and engraved with words significant to our community.

Committee member Christopher Toovey arrived at 7:12 p.m.

Manager Vollaro shared that the artist's preliminary cost is \$10,000 - \$15,000, which is over the City's budget of a maximum of \$10,000. The artist can work within the concrete planter box, with no alterations. She is recommending three concrete columns to be installed in the interior cavity of the planter box, which would serve as foundations for the sculpture to be mounted to. The estimated timeline from start to finish is 9-12 weeks for the fabrication of the piece. The artist is recommending energy efficient, LED rope lighting to be installed along the ground level interior perimeter of the planter box. The artist is open to Claremont providing the words or text. She would like to choose the font style and size for the text. Letter/word count would be determined once the size of the panels is finalized. The final height of the piece is 10-11 feet.

After discussing the logistics of the planter box and the words that would be engraved on the piece, the Committee agreed on the following recommendations.

Committee member Unis moved to recommend forwarding the proposal from Artist, Siji Chen for the City Hall Temporary Art Installation project to the City Council for approval, seconded by Committee member Wimbley, and unanimously carried on the following vote:

AYES: Committee members - Neiuber, Tchalian, Toovey, Unis, Wimbley
NOES: Committee member – None
ABSENT: Committee member - Croushore and Commissioner Worley

Committee member Tchalian moved to approve removing the planter box and installing a permanent pad for a sculpture, seconded by Committee member Wimbley, and unanimously carried on the following vote:

AYES: Committee members - Neiuber, Tchalian, Toovey, Unis, Wimbley
NOES: Committee member – None
ABSENT: Committee member - Croushore and Commissioner Worley

Committee member Tchalian moved to approve that botanical names of Claremont trees be used as the words on panels, seconded by Committee member Wimbley, and unanimously carried on the following vote:

AYES: Committee members - *Neiuber, Tchalian, Toovey, Unis, Wimbley*

NOES: Committee member – *None*

ABSENT: Committee member - *Croushore and Commissioner Worley*

Manager Vollaro said this report will be brought forward to the November 14 City Council meeting.

3. THE ARTS AREA PRESENTATION – ORAL REPORT

John Machado is the CEO/President of The Arts Area and is an Arts History Professor at Chaffey College. He provided a handout and an oral report on The Arts Area. The organization is currently focused on research, outreach, programming, and recently launched the Inland Empire Arts Directory. He is interested in partnering with Claremont.

Committee member Adriana Tchalian left at 7:55 p.m.

6. HUMAN SERVICES DEPARTMENT UPDATES

Manager Vollaro reported that the Mural Dedication is on Saturday, October 14 from 9:00 a.m. - 10:00 a.m. at Wheeler Park.

The City is moving into a two-year budget cycle and staff will be proposing a part-time volunteer position for an Arts Coordinator. In the interim, staff will be looking at partnering with other folks to move the projects forward.
