

The Claremont Colleges and City of Claremont proudly present:

Claremont Avenues for Lifelong Learning College Auditing Program

TO QUALIFY: Participants must be 60 + years of age. Classes are available to Claremont and non-Claremont residents.

FEE: These classes are free for registered seniors to audit.

REGISTRATION: Registration opens **July 13** and closes **August 12**. Classes are based on a first-come and first-serve basis. Applications are to be submitted by mail or in-person to the Joslyn Senior Center. Registration will not be accepted over the phone.

COURSE INFORMATION: The course schedule, application and waiver forms are available for viewing and printing at www.ci.claremont.ca.us. Hard copies are also available at the Joslyn Senior Center.

CLASS PLACEMENT: Priority is given to Claremont residents. Non-Claremont residents will be placed in classes on August 13 pending availability. All applicants will be notified by the week of August 16 as to their course placement and class location. Auditors will be assigned to only one class.

PREREQUISITES: Some classes require auditors to have taken previous courses or have knowledge of the material. These classes are identified with an asterisk * located in front of the course's title. For most of the courses, little or no background is necessary.

CALENDAR: Most classes begin the week of Tuesday, August 31 and end Wednesday, December 8. (Classes will not be held October 18, 19, November 25 and 26)

EXPECTATIONS: Auditors are expected to attend classes regularly throughout the semester. Further types of participation, such as labs, homework, papers and exams are at the discretion of the instructor. Some instructors prefer auditors to observe only, while others prefer auditors to participate fully in class discussions. Early in the semester, auditors should discuss with their instructor the extent of their participation in classroom discussion and questions.

TRANSPORTATION: It is the auditor's sole responsibility to make independent arrangements to get to and from their classes.
