Pro-Active Policing Leads to Evey Canyon Arrests

Claremont, CA – During the month of November, the Claremont Police Department had seen an increase of vehicle burglaries at Evey Canyon, which is a popular hiking location in the City of Claremont. These vehicle burglaries were occurring while the victims were hiking the trails and leaving their vehicles parked and locked on Mt. Baldy Rd. Police Department personnel conducted extra patrols and surveillance at the location to identify suspects related to the criminal activity. Over multiple days in the past two weeks, CPD personnel have witnessed suspicious activity, which have led to the arrest of six suspects related to Evey Canyon vehicle burglaries, grand theft auto, possession of burglary tools and/or other crimes.

Arrested were the following suspects:

Roy Talley 42 years old from Riverside

Kimberly Lucero 52 years old from Riverside

Maria Martinez 20 years old from Azusa

Veronica Gonzales 37 years old from Azusa

Charles Ayala 36 years old from San Dimas

Marco Martinez 36 years old from Azusa

CPD personnel will continue their efforts by being pro-active in identifying, arresting and prosecuting any and all suspects related to criminal activity within the city.
