Earth Day

CicLAvia is one of the largest open streets events in the country—a free event, open to all. CicLAvia produces temporary car-free days that transform streets into safe spaces for thousands of people to explore the city by foot, bike, and other forms of non-motorized transport. This CicLAvia event is produced in partnership with the City of San Dimas, City of La Verne, City of Pomona, City of Claremont, San Gabriel Valley Council of Governments, Metro, and CicLAvia, Inc. (a non-profit).
