Parade Regulations

The procedures listed below have been developed to maintain the spirit of this long-standing Claremont tradition.

Entrants

1. All interested non-commercial groups are welcome. However, if the parade exceeds its length limits, Claremont residents will be given priority and groups may be limited to one 40-foot staging space per organization. Approval by the Independence Day Committee and City of Claremont is required and will be indicated by return of a confirmation letter with entry number.
2. Commercial groups may not participate in the parade in any way.
3. Parade participants may not advertise or recognize any commercial entity, product, or service through audible or written messages.

General Regulations

1. All parade participants must agree to abide by all deadlines, rules, and regulations set forth by the Independence Day Committee and City of Claremont. Infractions may result in suspension from future participation.
2. All parade participants must comply with all laws, ordinances, and regulations pertinent to health and public safety.
3. Parade officials will inspect all entries and reserve the right to eliminate any entry that is in violation or is deemed unsafe by law enforcement.
4. City of Claremont and parade presenting sponsor entries are exempt from parade regulations.
5. The American Flag may be used only in accordance with the recognized Flag Code.
6. All parade participants must abide by the Los Angeles County Fire Code, including any applicable Los Angeles County Fire Department permit requirements and fees.
7. Parade participants must obey all directions by parade volunteers, city staff, police, and safety personnel. Non-conforming units may be removed from the parade at any time.
8. All entries must be identified so that judges and spectators can easily see the name of each unit. The minimum individual letter size should be ten to twelve inches and readable at approximately 100 feet.
9. Entries may not contain elements higher than 14 feet for overhead clearance. Entries must be able to negotiate 90 degree turns to and from the Claremont streets of 10th Street, Indian Hill Boulevard, and the Harrison Avenue entrance to Larkin Park at the end of the Parade.
10. Entries must be able to move at a rate of approximately 2-3 miles per hour for the entire two-mile parade route.
11. All parade entries with participants under 18 years old are required to have at least one responsible adult to supervise during the parade. All units with children under age 8 will be expected to station persons along the parade route to assist tired marchers. All children must be dropped off and met by a responsible adult at the beginning and end of the parade.

12. All parade participants are prohibited from throwing any objects or matter into the parade audience while in the parade. For example, no pyrotechnics, water gun shooting, food, candy, toys, discharge of firearms (including blanks), etc. will be allowed. The purpose of this restriction is to maintain a safe, clean parade route and maintain the parade traffic flow.
