

CITY OF CLAREMONT
FOOTHILL BOULEVARD MASTER PLAN IMPROVEMENTS PROJECT
CIP 2018-01

PHASE 4 CONSTRUCTION
Foothill Boulevard between Mountain and Towne Avenues

Dear City of CLAREMONT Owner/Resident/Business Owner:

As mentioned in the general notification delivered in October 2018, and because your property fronts or is adjacent to the Foothill Boulevard, you are receiving this additional notification. Since your property is located in Phase 4 of this project you are now receiving your additional notification.

Phase 4 of construction is starting Monday, October 7. Below is a list of construction activities you can expect to see during Phase 4.

1. Traffic Control setup starting Monday, October 7.
2. Streets and sidewalks being marked for demolition.
 - a. Markings may begin as early as September 30.
3. Survey crews will be surveying the project area.
4. Access to your properties will remain open during construction. If you have more than one driveway accessing your property, at least one of them will remain open at all times. If for any reason access needs to be restricted, you will be contacted ahead of time to allow you plan accordingly. Typical construction for drive approaches will consist of working on half of the approach at one time.
5. Foothill Boulevard will have one lane of traffic in each direction available at all times.
6. When the north side sidewalk is being worked on, you can expect to see a pedestrian detour directing pedestrians to the south side sidewalk, or to existing pedestrian path.
7. When the south side sidewalk is being worked on, you can expect to see a pedestrian detour directing pedestrians to the north side sidewalk, or to existing pedestrian path.
8. Signal operations may be turned off or set to flash in order to accommodate signal work. If you encounter a traffic signal that is completely blacked out, please follow the California Vehicle Code and approach the signal as if it were a 4-way stop, unless you are being directed by a flagman.
9. Once Phase 4 is completed, the contractor will begin scheduling final paving and striping work. Additional notices will be delivered prior to this work beginning.

We truly appreciate your understanding and patience while we work to complete this work as quickly as possible. If you should have any questions, you can find additional information regarding this project on the project web page at <http://www.ci.claremont.ca.us/living/foothill-boulevard-upgrade#ad-image-0>.
